

CAMBRIDGE CANOE CLUB

BOAT HIRE BOOKING FORM (Members only, non members may not hire club boats or equipment)

Information

All club boats and equipment are available for hire so that they can be taken away from the clubhouse and river Cam. The hire of club boats must be co-ordinated through the quartermaster and preference will be given to members on club trips or representing the club at competitive events. Boats and equipment are not usually available at times when courses are running (Monday – Thursday, April – September.) It is very important that members take only what has been agreed, and when it is agreed. In the past people have taken equipment early, or different equipment, and this has left courses short during the week. Please only take equipment on the evening before the first day of hire and return it before 6pm on the day after.

Loss or damage

Boats and equipment are not insured while away from the clubhouse. It is the responsibility of members to take all reasonable care of them. The club reserves the right to charge any member who hires a boat if it is returned damaged beyond reasonable wear and tear, or if it is not returned. If a boat in your care is stolen or vandalised, then the local police should be informed immediately and a crime number obtained from them.

Fees

ADULT MEMBER: £10 Day; £20 Bank holiday weekend; £45Week.
JUNIOR MEMBER: No Charge

ONE BOOKING PER FORM PLEASE, & AT LEAST ONE WEEKS NOTICE

Name

Address

..... Post Code

Telephone
